

Encouraging all woodworkers in self-expression, craftsmanship and knowledge

Colorado Woodworkers Guild

September 2014

Presidents Message (or “Brain Damaged Ramblings”)

Well, I’m writing this on the First of September, summer is drawing to a close. For me this means fewer days in the workshop with the garage doors open. For that matter, my tools will go back to sharing space with the cars and I’ll have to run the burners to keep things warm.

There are a few things to discuss with you all.

First the program at the September meeting will have a presentation from Luthier Edward Victor Dick. I’ve chatted a couple of times with Edward. He is very knowledgeable and I’m looking forward to learning from him. For more info about Edward go to <http://www.coloradoschooloflutherie.com/instructors/edward-victor-dick>

Next is our **Annual Auction in October**. Many of the donations, so far, are tools. So October will be an opportunity for you to add tools you may need in your shop. I have started a Photo-Gallery of the auction items. You can view the Auction Photo Gallery at

<http://coloradowoodworkersguild.org/index.php/annual-auction-items-2014-10-21> .

As I’m in the process of collecting pictures / descriptions the photos will be changing daily. So, check back often. If you have a question about any item, feel free to contact president@coloradowoodworkersguild.org and I’ll try to get an answer.

In November (in addition to the evening’s programs) we will have our **Annual Elections**. The tables below show the current positions and occupants If I’ve missed anyone please accept my apologies.

Elected Position	Current Individual	Willing to continue in 2015
President	Cary Goltermann	Yes
Vice President	Bob Kleinfeldt	Yes
Treasurer	Laura Peterson	Yes
Secretary	Mark Childs	Yes

Appointed Position	Current Individual	Willing to continue in 2015
Programs	Cary Goltermann	Yes but help would be nice
Classes	Stan Wolpert	Will let me know at the next member meeting
Librarian	Roger Abraham	Yes
Snacks and Coffee	Dick Dailey	Sure
Community Service	Charlie Kuechenmeister	Yes
Publicity and Public Relations	Lindy Baer	Yes
Shows and Exhibits	Kevin Loyd	Yes
Webmaster	Wilbur Goltermann	Yes
Membership	Dennis Machlica	Yes
Newsletter	Al Limiero	Yes but would like to know if anyone else has an interest

Without the efforts of these people there would be no guild. The appointed positions are really intended to be committee chairs. This is to say each of these could use some help.

Most of these have agreed to stay on in 2015 (I have yet to talk to some). We could really use some help on these from our members. Please consider helping out.

In December, we have no general meeting. In its place we have an annual Holiday Dinner. This is currently being planned by our esteemed Vice President, Bob Kleinfeldt. I've attended these in the past two years and it's always been a good time. Look for an announcement for the time and place. I'm sure that Bob could use some help setting this up. If you can help, please let me know.

I have not yet set up a presentation for January (there will be one). In addition to the January presentation there will be a "State Of the Guild" during which you can meet the members of the Board Of Directors and the various committee chairs.

Cary Goltermann - El Presidente

Upcoming Events

Saturday September 13 - Plane Restoration Class - This class is fully subscribed. If you missed out on registering this time, keep your eye open for the next iteration since this is such a popular class that it will be offered fairly often.

Rocky Mountain Woodturning Symposium Sep 12-14 - For more info, and to register —>[Click Here](#)<—

Tuesday, September 16 General Membership Meeting - Edward Victor Dick of the Colorado School of Lutherie will give a presentation on guitar building. Edward has been a Luthier since 1975. Join us for what is sure to be a great presentation. For more info about The Colorado School of Lutherie click --> [Here](#) <--

Thursday, October 2 Empty Bowl Event - Love INC of Littleton is seeking donations of bowls which will be auctioned off to raise funds. For more information about this event click --> [Here](#) <--

October 4 & 11 Keepsake Box Class - will be held at Doug's shop - 19890 Aries Drive, Monument, CO 80132. Tuition is \$95, with wood provided by the Guild. Sign up early to ensure your place: go to "Pay for Classes" in the "Members' Corner" of the right side column, and then click on "Oct 4 & 11 - Keepsake Box Class".

—>[Click here](#)<— for a description of the Keepsake Box Class.

Tuesday, October 21 General Membership Meeting
Annual Auction

Membership

Greetings guild members. As we head into fall the guild database shows 238 active paid in full for 2014 members (although I believe that one or two of these are “test” members that our webmaster uses to verify website functionality).

In October we will begin to renew members for the year 2015. During 2014 the membership cards changed from handwritten to printed. We have procured a new label printer which will make the printing simpler. 2015 Member Cards will be the same BUT the printed text will be black on a silver background (2016 member cards will be some other color). It is my hope that this will make identification simpler for our sponsors. You remember our sponsors? If not go to <http://coloradowoodworkersguild.org/index.php/sponsors> for an up-to-date list. Drop by and say thanks to one or two of them.

Here is a question for the members. If the membership card had a barcode printed on it would y'all be willing to scan it upon entering a guild meeting? This would inform us about which presentations are of interest.

Hope to see you all at the next meeting. As usual, if you have any issues with your membership please drop an email to membership@coloradowoodworkersguild.org or president@coloradowoodworkersguild.org or talk to us at a meeting.

Cary Goltermann - Assistant to the Membership Chair

August Presentation

During our August monthly meeting we were treated to a great presentation by our very own Arnie Silverman. Arnie has made a beautiful Pie Crust Edge Tilt Top Table for his wife. As you may know Arnie is a detail man and wow was that ever evident in this table.

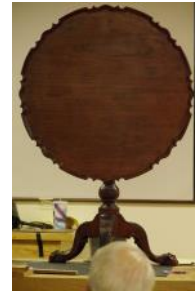

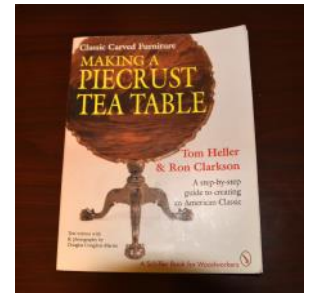

The table was built out of cherry and used several different woodworking techniques including, hand tools, joinery, turning and carving. The top was made from an 18 inch wide board with one glue up down the middle. The end product needed to be a circle 32 inches in diameter. The board was about 5/4 thick. Arnie explained that to get the scalloped piecrust edge he had to use a router to hog out the table top leaving the 5/4 thickness for the piecrust edge. Many steps and templates were involved. This was not a week end project, taking Arnie about a year of on and off shop time.

After it was established that the top could be made there was a pedestal to turn and 3 cabriole legs to make, each with its share of carving. Arnie's tip was don't sweat it, people can only see one leg and once side of the pedestal at a time. He attached the 3 legs to the cylinder pedestal using sliding miters made with a nifty jig he shared with us.

You can readily see by the pictures what a great piece of heirloom furniture this turned out to be, thank you Arnie.

Laura Peterson

Editor's Note : There is not enough space available in the newsletter to properly describe the effort and skill Arnie has put into this project. To see more photos and view the video of Arnie's presentation go to the links listed on the right.

Show And Tell

After having nine entries in the July Show N' Tell (probably an all time high) we went to only two entries in August.

Ron White's winning entries were two beautiful pencil holders with marquetry decorations and secret compartments on the bottom.

Jim Kitsmiller entered a jig designed to hold his Festool Domino in place on (I believe) floor joists.

Raffle

We had (as usual) five raffle items which were won as follows

Doug Pinney won a beautiful piece of Osage Orange board donated to the guild by Austin Hardwoods.

Bill Kwaitwoski (spelling) won a pair of Bessey bar clamps

Beej Jones won a Bench Dog Push Block

Bob Bauer won a set of self center drills

Bill Healy won a set of Forstner bits

There will, of course, be five new raffle items at the October meeting. See you there.

Cary Goltermann

Sponsor's Corner

Woodcraft Sponsor Article:

Woodcraft, established in 1928 and a sponsor of Colorado Woodworkers Guild, is located at the intersection of Peoria and Arapahoe Road in Centennial. This store carries a complete selection of stationary and portable power tools, hand tools, carving tools, turning tools, and accessories for all woodworking needs. The store location moved from Tamarac off I-225 to its present location some years ago and expanded the tool display area to twice its original size and added a classroom area where classes in many phases of woodworking activities are held. The classes cover everything from guitar building to the essentials of router and lathe turning to the proper set up and use of the band saw. Usually once a month the store will have a sale on selected items. One can stay abreast of the store activity through visiting the Woodcraft website (Woodcraft.com) or by signing up at the website for email announcements. Additionally, when purchasing items at the store, one can provide information for receiving a brochure through the mail that will contain a listing of classes offered and illustrating certain merchandise that is on sale for a specified period.

The store is manned by a knowledgeable staff, all of whom enjoys woodworking and is helpful in making sure that your purchase is what you need for a particular project. One nice feature is the "rain check" system whereby one can purchase an item on sale, and when not available on the shelf, can be ordered for you at the sale price and typically delivered to the store within a week. I have found that you will receive notification when the item is delivered to the store. Eric Letzler, the store owner, is also a woodworker and has exhibited some of his handiwork in the store from time to time. Other staff members and customers also have some of their pieces on display.

Remember when making a purchase at Woodcraft, as well as any of our sponsors, you will receive a 10% discount on the purchase total for items not on sale when you present your Guild membership card.

Paxton Lumber Wood of the Month

Paxton Lumber is offering **white oak** for the September Wood of the Month. The stock comes 4 quarter, FAS, 1 face or better, surfaced 2 sides (S2S) with one straight edge. Call 303-399-6047 for pricing.

CWG Sponsors

The Colorado Woodworkers Guild is fortunate to have several companies as Sponsors. The Sponsors help the Guild with programs, materials, supplies, facilities, display space, financial, and other means. In many cases, Guild members are able to obtain discounts from our Sponsors (except for power tools and sale items). Please note: the Guild discounts only apply to in person purchases in the store (except where noted), and are not available at any sponsor's online store. You must show a current membership card to obtain the discount
